Kolan South Established in 1878

**Kolan South State School strives for a Quality Education for All Students ~ Respect ~ Responsibility ~ Safety**

**Principal's Messages** ~ Congratulations to all students who represented our school at the District Sports. A superb effort!

## District Sports Report

A magnificent team effort saw Kolan South perform strongly at Friday's Gin Gin District Sports. Again this year, we are the 'A' Schools Champions, as well as the Average Points Trophy winner. We are awaiting clarification of Age Champions and District selections. The results are a great reward for the daily training at lunch breaks over the last couple of months. Well done to all of our representatives! Thank-you also to the fantastic group of parents who came along to support and cheer on our team.

There were many great performances. We won three out of seven relays with two seconds and one third, and were very strong in the field events.

Congratulations to these students who excelled in individual events. First and second placegetters will represent Gin Gin District at the Bundaberg Sports, next Thursday and Friday.
