

# Investing for Success

**Under this agreement for 2022  
Kolan South State School will receive**

**\$46,876\***

## This funding will be used to

Guarantee that every student at Kolan South will either:

- Achieve NMS in literacy and numeracy for their year level or
- Have an evidence based learning plan in place to address their specific learning needs.

Kolan South will achieve these outcomes in Reading and Numeracy in 2022:

- Achieve a Mean Scaled Score at on or above the National Mean for Year 3 and 5
- Maintain the % of Year 3 and Year 5 students in the U2B (Upper Two Bands) at > 40%

## Our initiatives include

### Professional Development

- Build teacher capability in explicit teaching and consolidations through coaching and instructional leadership. Classroom release for classroom teachers to engage in Quality Teaching Rounds.

### Human Resources

- Provision of targeted Teacher Aide time to support differentiated learning within classrooms

### Evidence Base:

*\*Quality Teaching Academy: Classroom Practice Guide*

*\*All strategies align with researched based literacy and numeracy priorities for North Coast Region*

## Our school will improve student outcomes by

Purchase of Teacher release time to support leadership, peer coaching and mentoring activities	\$4,876
--	---------

Purchase of Teacher Aide time @ 30 hrs x 40 wks (approx)	\$42,000
--	----------
